

South Central Enterprise Region (SCER) services a population of over 51,000 people. The Enterprise Region focuses on sustainable economic growth by supporting municipalities, regional business and industry to create competitive advantages at the regional, national and international level.

The priorities of the South Central Enterprise Region are: to build regional economies; foster a culture of enterprise and innovation; build on competitive advantages; and engage leadership and effective regional governance.

Partnerships, collaboration and cooperation are at the heart of the Enterprise Region's initiatives. SCER is available to work with existing and potential businesses considering ventures in the region.

SCER carries and holds in good standing Commercial General Liability and Directors' & Officers' liability insurance. These liability coverages extend to volunteers of the organization (which would include the individual members of the SCER) when they are acting in the capacity of the SCER and within the organizations description of operations as stated on the insurance policies.

To become a member of SCER fill in the membership information below and return this form by fax or mail. Once you have registered as a member with SCER that membership shall exist in perpetuity with no need for annual renewal. You will be granted access to all information and services the organization provides.
